Choi Soon Ho

Researcher · Instructor

sosaror@gmail.com · snow0821.github.io

Current Activities

2026.08-2026.10	**Goyang Smart Citizen instructor** · EduCore Center AI-assisted web development course · Codex work assistant course
2026.06-2026.10	**PBL facilitator** · MODULABS Codyssey · AI Native course
2023.03-Present	**Online programming instructor** · Coderland
2023.01-Present	**Freelance instructor** · Elice Coding

Degrees & Qualifications

2025	**Artificial Intelligence · M.E** Graduate School of Software Convergence, Kookmin University
2019	**Computer Science · B.E** School of Computer Science and Electrical Engineering, Handong Global University
2026	NCS-registered instructor · Artificial intelligence

Research Activities

Neural Network Quantization · Neural Architecture Learning

2026 **Learning to Wire: End-to-End Operand Selection for Symbolic Logic Networks**

Symbolic Logic Networks · Operand Selection

Authors: Choi Soon Ho (First author), Soo Yong Kim

Venue: 2026 International Joint Conference on Neural Networks (IJCNN)

2025 **Binarization of Ternary ViT on Image Classification**

Network Binarization · Vision Transformers

Authors: Choi Soon Ho (First author), Jae Young Im, Soo-Yeon Yoon

Venue: KICS Winter Conference Proceedings · pp. 668-669 · 2025.02

2024 **Comparing accuracy of sign-quantized layers with linear layer in small models**

Weight Quantization · Low-Bit Neural Networks

Authors: Choi Soon Ho (First author), Soo-Yeon Yoon

Venue: KICS Summer Conference Proceedings · pp. 847-849 · 2024.06

Teaching Experience

AI & Data Education

Period	Institution / Program	Role / Course
2026.08 - 2026.10 Planned end: Oct	**Goyang Smart Citizen** EduCore Center	**AI-assisted web development course · Codex work assistant course** · Instructor
2026.06 - 2026.10 Planned end: Oct	**Codyssey** MODULABS	**AI Native course** · PBL facilitator PBL issue coordination, learning and assignment support, and general-interest seminars.
2026.10	**Hana Life** Elice Coding	**Practical Data Service Design with AI (STEP 2)** · Instructor Employee PoC planning and implementation guidance, with project feedback.
2026.07	**LG Innotek** Elice Coding	**AI/AX Lv2** · Instructor
2026.05	**Paju City Hall** ABLEARN	**Generative AI** · Assistant instructor
2025.04 - 2025.07	**Youth SW Donghaeng** EduCore Center	**AI projects** · Instructor **A GPT-powered world: Apps for responsible consumption** · Jeohyeon High School · Yeongjong High School **AI-assisted traffic signal optimization: Accessible transport systems** · Guryong Middle School · Seowon High School **AI for the environment: Building a wildfire prediction model** · Seoul Digitech High School
2024.12 - 2025.01	Elice Coding	**Easy-to-learn AI · Instructor workshop** · Teaching materials writing & revision
2024.09 - 2024.11	**SW Donghaeng** Elice Coding	**AI courses · Data analysis courses** · Instructor **Local Food Meal Maker** · Haseong High School **AI-Tailored Exercise Prescription Program** · Jamsil Girls' High School · Munhak Information High School
2023.09 - 2024.12	**Digital Saessak** Elice Coding	**AI courses · Data analysis courses** · Instructor **Easy-to-Learn Artificial Intelligence** · Munchang Middle School **Challenge! Solving Incheon's Local Problems with Data Analysis** · Hwagok High School **Creating Web Apps with AI** · Mirae High School of Science and Technology **Step-by-Step Introductory Data Analysis · Step-by-Step Applied Data Analysis · MISSION: Creating Web Pages with AI** · Sudo Electric Technical High School

Teaching Experience (continued)

Programming, Data Structures & Algorithms Education

Period	Institution / Program	Role / Course
2023.03 - Present	Coderland	**Python & C++ · Data structures & algorithms** · Online instructor
2025	**T Academy** Mincoding	**Algorithms course** · Instructor
2025	**Samsung SDS** Mincoding	**SW competency test Pro** · Assistant instructor
2024.09 - 2024.11	**SW Donghaeng** Elice Coding	**Programming courses** · Instructor **Local Food Meal Maker** · Haseong High School Programming courses · Handong International School
2024.02	**LG CNS** Elice Coding	**Children's Coding School** · Instructor
2023.08 - 2023.12	Gosaek High School	**Computer science elective course** · Instructor
2023.05 - 2024.12	**Digital Saessak** Elice Coding	**Programming courses** · Instructor **Make! Solving Problems with Arduino** · Cheongwon Girls' High School **Do IT! Practical Web Programming** · Ansan Design Culture High School · Seoul Robotics High School

Professional Experience

2024.03-2024.05 — **NoTitle**
Full-stack developer
Backend: FastAPI · Frontend: Next.js and React.

2022.08-2022.10 — **TED · MyMabu**
Frontend developer
Service frontend development with HTML, CSS and JavaScript; Naver and Kakao OAuth login, identity verification and payment API integrations.

2018.12-2019.01 — **Cleaning Reservation & Management Service**
Developer
Developed cleaning reservation and space-management functionality and handed over source code and the MySQL database structure.

2014.06-2015.01 — **Manlev Games · Summon Rush**
Game designer
Mobile-game level design, story, balancing, probability and monetization design.

Other Activities

2022 — **Goorm K-Digital Training · AI Natural Language Processing Specialist Program**
Completed
Machine-learning fundamentals and NLP model implementation, including LSTM, using Python and Jupyter Notebook.

2020.07-2021.11 — **42 Seoul**
Program participant
La Piscine: 2020.07-2020.08. Core program: 2020.09-2021.11.

2018 — **KimAnNa · Recruitment SNS Capstone Project**
Web development
Implemented feed, friend-relationship, comment and chat features with database and server integration.

2017.09 — **Kookmin University open-source hackathon · OpenAIThon**
Participant · AI project development
Project proposals, data and game design, Python-based competitive-learning game experiments, and result presentations.
